## **Gospel**

**“Rob had everything going for him and relied on baseball to fill a void, but something was desperately missing in his heart. He walked out on his baseball career because of depression and not knowing who he was**

**anymore. His best friend invited him to church and he accepted Christ. He is boldly telling people Jesus is the reason for his life change and for going back to baseball this season.”**

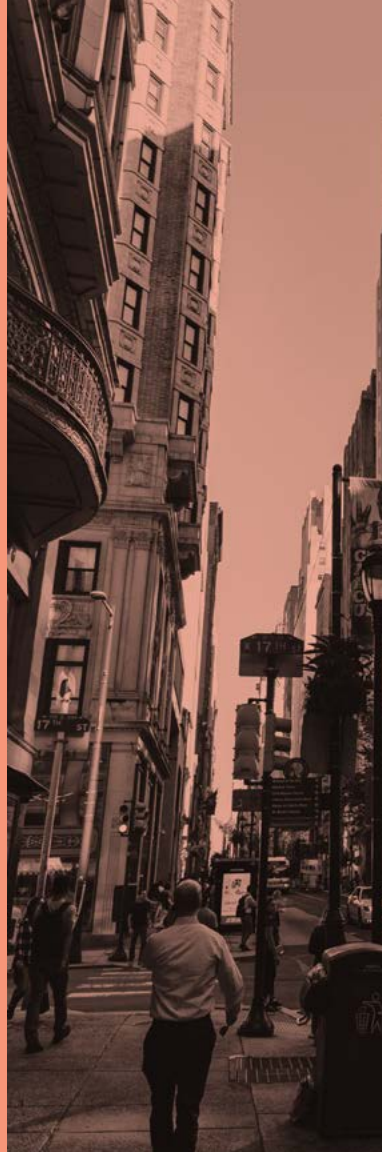

-City Awakening Church, Orlando

## Balance

“This year alone we have seen over 400 people go through the Weekender (two-day process of moving from connected to committed). That brings us to not just over 1,500 people (our five-year goal) but over 1,600 people total through the Weekender since it began five years ago. We have also seen over 300 people go through our On Ramp process to serve. This has been the biggest year thus far for Mercy Hill and the Weekender.”

-Mercy Hill Church, Greensboro, NC

---

## Multiplication

“Nine years ago, Calvary Englewood was a church of 30 people who was near to closing their doors and selling their property. We now have 18 churches in four states in the Calvary Family of Churches. We’re anxious and excited at the same time—that’s how the Holy Spirit moves.”

-Dan Freng, Calvary Littleton. The Calvary Family had four new plants or replants in 2017.
